

RAYZA RX522

Lightweight Cut Level E Lower Arm Protection

An 18-Gauge HPPE Liner

- Ultra-lightweight liner and highly breathable
- Exceptional levels of comfort, just like second skin as well as cut index E protection
- Does not restrict dexterity and movement when used with a glove

Velcro Top Cuff

- To prevent the sleeve from slipping down the arm

Thin Nylon Thumb Slot

- To prevent the sleeve from riding up the arm and exposing vital arteries

Available in one length 450mm/18"
