

RAYZA RX552

Lightweight Polyurethane Coated Cut Level E Glove

Ultra- Lightweight 18-Gauge Liner

- Offers outstanding fingertip precision and dexterity for outstanding mechanical performance
- Exceptional comfort - feels like second skin

Touchscreen Compatibility*

- Removes the requirement for 3-digit gloves or the need to remove the glove to operate smart devices

Unique Polyurethane Coating

- A very tough coating that withstands the demands of dry or slightly oily environments

Available in sizes 6/XS - 11/2XL

*Not always compatible with screen protectors. Make sure gloves are dry and clean first.
