

RAYZA RX565

Double Dipped Nitrile Cut Level E Glove

A 18-Gauge Liner

- A lightweight lining providing high levels of comfort and dexterity as well as cut protection.
- Extended cuff for enhanced protection in the wrist area.

Blue Nitrile Coating

- A fully coated nitrile barrier ensuring high performance against liquid penetration across the whole glove.

Black Textured Coating

- A textured nitrile coating for enhanced grip and a degree of oil resistance.

Available in sizes 6/XS - 11/2XL
